Class created

Congratulations! You have just created the new class: Genetics 2016 (Section 1)
If you would like students to enroll themselves in this class, they will need both the enrollment password you have chosen and the unique class ID generated by Turnitin:

Class ID **12217896**

Enrollment password **palagenes17**

Note: Should you ever forget the class ID, it is the number to the left of the class name on your class list. You can view or change your enrollment password by editing the class.

Click the class name to enter the class and get started creating assignments.
